Temple University’s Athletics Department (Temple Athletics) offers meeting and event space for TU registered student organizations, campus departments and organizations, community groups and outside organizations. Temple Athletics provides a variety of event space, athletics competition areas, and meeting rooms as well as activity spaces for all sizes and needs. Temple Athletics’ Facility Staff will assist your group in finding the appropriate space for your needs, developing a layout/set up, and coordinating rentals and catering, while complying with university, NCAA, and AAC rules and regulations. All facility reservation requests will be considered when received with appropriate lead time; 30 business days is recommended. Reservations are not final until a confirmation and/or contract has been sent and/or signed by Temple University and are dependent on space and staff availability. Non-university affiliated individuals or groups (or events open to the public) must provide a proof of insurance certificate. Temple Athletics looks forward to the opportunity to host your next event!
All events must meet the rules and guidelines established by the NCAA and American Athletic Conference.

Any event considered to be potentially harmful to the public image of Temple University or to the facility will be rejected at the sole discretion the University.

The Temple University Athletic Department will determine the number of personnel and the appropriate amount of equipment required for the safe operation of each event. Event operation expenses may include, but are not limited to; set up and breakdown staff, TUPD, transportation/parking, event staff (ushers, PA, etc.), EMS, custodial, HVAC, electrical, video production, ticket office services, sports information services, equipment rental and administration fees. The amount of personnel assigned to an event will be determined based on the size and nature of the event.

The Athletic Department must have a signed contract, and certificate of insurance naming Temple University as an additional insured prior to any event enactment.

Complete and submit an Athletic Facility Request Form at least 30 business days prior to the event enactment through email to the designated facilities contact.

Once the Athletic Facility Request Form is submitted, a member of the Temple University Athletic Department will determine the availability of the space and arrange a time to discuss (in person or by phone) the contracting, insurance and event logistics (i.e. set-up, equipment needs, staff needs, break-down, etc.).

For additional services, such as furniture/equipment rental and catering, the University will provide a list of approved and exclusive vendors.

After all details have been confirmed, an Athletic Facility Event Agreement will be sent to the client.

The facility rental and event operations expenses reflected on the Athletic Facility Event Agreement are estimated costs.

The following is due to the Temple University Athletic Department no later than 15 business days prior to the event:

- Completed Athletic Facility Event Agreement.
- Certificate of insurance.
- Non-refundable deposit equal to 25% of facility rental fee.
- Minors on campus registration, including background check information (if the event includes minors).

A final invoice, with all charges, will be emailed within 30 days following the event and full payment is due by date indicated on the invoice. Payment can be made in the form of check, made payable to: Temple University Athletic Department.

The order in which various entities receive priority in scheduling athletic facilities with Temple University Athletic Department is as follows:
1. Temple University Athletic Department contests, events and practices.
2. Temple University departments, student groups, and club events.
3. External group rentals.
